Terms and conditions apply. The 'Super Savings' 2024 promotion is a limited time offer, may be withdrawn at any time without notice and is only available directly through Hudson Homes. The 'Super Savings' promotional offer may vary based on the size of home design selected. If the size of a home design is increased by way of variation, it maintains the original discount, and is not eligible for an increased discount. The promotion is only available for new Tender Requests received from 6 January 2024 and may not be used in conjunction with any other promotion or offer. The promotion is only available if the Tender is accepted and the Tender Acceptance fee is paid within 10 days of the Tender date. This promotion does not apply to Home and Land packages, Dual Living home designs or IP level inclusions, or for third-party sales agents. Please speak with your Hudson Homes New Home Consultant to find out the specific inclusions, price and/or discount you may receive through this promotion. Correct as at 6 January 2024.
