SPECTRUM
DESIGN STUDIO

Our purpose-built Spectrum Design Studio makes the process of selecting your new home's exterior and interior finishes an enjoyable experience.

EXPERT DESIGN ADVICE

Here, our expert design team can guide you through the exciting process of customising your home. With their expert touch, they will help you bring your Hudson Home to life.

The Spectrum Design Studio has been purposely designed to make the process of choosing your new homes interior and exterior as stress free as possible. With your personal Designer, you will make decisions on everything from roofing to carpet.

If the whole idea of selecting each fixture, fitting or colour is a daunting one for you, we have simplified the whole selection process by providing pre-selected options that have been carefully put together by our Designers. As with all things at Hudson Homes, the choice is always yours.

**Spectrum Design Studio for NSW built homes only.*

WE'LL BRING YOUR HUDSON HOME TO LIFE

YOUR PERSONAL DESIGNER

Working with your own dedicated Designer, you will be sure to get the inspiration you need to make your new home's style a true reflection of who you are and what you're trying to achieve. Your one-on-one personal consultation guides you through the various options available, while giving you the freedom to decide what's most important to you.

LEADING DESIGNER BRANDS

All your favourites brands on display at our Spectrum Colour Studio. Our design team have hand-picked our brands and suppliers to ensure you your new home selections not only look good but are also good quality. With wide ranges from all brands to suit a variety of styles and budgets, the choices are endless.

OUR GUARANTEES

At Hudson Homes we understand the importance of time and money. And since delivering upon our promises to you is at the heart of everything we do, every customer is offered the peace of mind and security with our 'fixed price guarantee' and our 'time-frame guarantee'.

Let's be friends

Our FIXED PRICE Guarantee only applies to readily accessible land where our complete site due diligence may be conducted (excludes unregistered land and knock-down, rebuild contracts). Please note that where specific engineering reports are required to complete site due diligence (such as Geotechnical, Hydraulic, Acoustic, Flood and Bushfire requirements) which, in some instances, may only be obtained after the signing of your HIA Building Agreement, the final fixed price amount will be guaranteed AFTER receipt of such engineering reports and design but ALWAYS fixed prior to the commencement of construction. For knock-down, rebuild contracts, Hudson Homes Time Frame Guarantee only applies after the soil testing (Bore Hole Report), contour survey and demolition / removal of site material has been completed and relevant authority approvals have been received. Hudson Homes agrees to complete construction of your new home on time as specified in your signed HIA Building Contract and the conditions therein.

Hudson Homes may amend these specifications and inclusions at any time without notice and reserves the right to supply alternative items of equal quality. Images are indicative only. Photographs and other images used may show fixtures, fittings or finishes which are not supplied by Hudson Homes, or which are only available in some designs, or when selected as additional upgrades at an additional cost. Standard included site costs are for a cleared residential site up to 450m², with up to 1 metre fall across the building platform, M class slab classification and with all services available at site boundaries (excludes battle-axe and rural sites). No allowance has been made for additional requirements or covenants that may be applicable to individual lots or housing estates. BASIX requirements will be assessed on an individual site bases and additional costs may apply. Please speak to a Hudson Homes New Home Consultant who is able to provide a Tender that specifically outlines the features, finishes and fixtures that you will receive. Correct as at 17/10/24
